

# A New Normal In Caring For You:

Text or Call us when you arrive.

We'll let you know when your service provider is ready for you to enter the building.

No one with a fever will be allowed to enter the building.  
Staff will be given daily temperature checks.

Please come alone.  
No additional guests or children at your appointment.

We'll greet you verbally (no hugs or handshakes).

Please wash your hands upon arrival.

**Each staff will be wearing gloves, masks & face shields**

**Guests MUST WEAR MASKS** with ear ties.  
We can provide one if needed.

Please, no large handbags.  
Bring only what you need and can fit in your lap.

Stations are spaced 6 feet apart to maintain distance between guests.

We'll not be offering beverages at this time.

Capes are washed between each guest as always.

We'll be foregoing scalp massages and blow-drying.

Allow our gloved staff to shop the retail area for you or purchase from our online store while you're here.

*Love, Suzanne*
